POINTS OF INTEREST:

Crossing Rt. 16 may be a bit tricky, runners need to be alert to heavy traffic and wait for the light! There is also a .3 of a mile section on Midvale where the traffic will move rapidly. There is a huge breakdown lane and the runner should run on the left as the next turn will come up quickly on the left.

There will be port-o-johns at the Smithsburg Valley Church. Parishioners may sell food and drinks as well.
