AMERICAN ODYSSEY RELAY

LEG 2 "RICH'S REVISION"

6.5 MILES | MEDIUM

VANS

Mileage is per segment, not cumulative

1. Approximately 5.7 miles South on BR 15 to Keystone Fireworks on left.

TRANSITION: 3640 Emmitsburg Road, Gettysburg, PA

POINTS OF INTEREST:

This leg bisects the Gettysburg Battlefields. The runner will see cannon and Civil War era fencing, not to mention monuments along the way.

Our regular running partner, Rich Garfinkel, ran this year one because we told him it was easy. He then told us we'd mis-measured by almost a mile! Okay, sorry, Rich, we goofed on measuring this one when we made a change to shorten it! It's right now.
