LEG 5 “NANCY’S RUN”

VANS

Mileage is per segment, not cumulative

1. Right out of parking area on Sanders (go through first Stop sign—beware of traffic!) to .5 to
2. Left on Jack’s Mountain over covered bridge for .2 (**DON’T LET YOUR RUNNER GO UP THIS HILL!!!**) to immediate
3. Right on Zoo for 1.0 to end to
4. Right on Iron Springs for .1 to immediate
5. Left on Fairfield Station (please don't block any driveways and be aware of and abide by all No Parking signs) for 2.5 to
6. Vans arriving before noon or vans containing runners planning to get food at Ventura's, should continue to Main Street and turn left for .2 into the Ventura's parking lot on the right. There will be a limited amount of parking at the transition at the St. John Church. However, **NO VANS MAY PARK IN THE ST. JOHN CHURCH LOT BEFORE 12:15!!!!** The church has a pre-school that lets out around noon and we cannot interfere with it. Please respect this wish or we will lose this transition. We've moved the transition here to avoid the necessity of runners crossing Main Street.

TRANSITION 5: 13 E. Main Street, Fairfield, PA

POINTS OF INTEREST:

Ventura’s will be happy to take your carry out order for lunch/dinner. Call ahead to assure that it’s ready. (717-642-8202). The food is good, it’s reasonable and they are a good partner! Rest rooms open to runners. Bottled water and other drinks, chips, etc. all available too.

This leg is named after local runner Nancy Petrosky. Nancy actually helped with the first five legs and has been indispensable overall! As you go through the covered bridge, look straight ahead. *You aren’t going up that hill*, known as Jack’s Mountain, but that’s where Nancy lives. She has some decent hill workouts!

Okay, despite explicit directions and the capitalized words above, we had several runners “inadvertently” run up Jack’s Mountain. You can’t say we haven’t tried to stop you now!
